SERIAL NO. 97

SUBJECT.

Submitting for sanction a revised Est. for Rs: 1544 for a well on the road side in the Agasanakallu village about a mile from Chitaldroog, under the circumstances explained.

References—(to be entered only in the Dewan's Office).

Hobb 2 5 97

Office of the Commissioners
Chittaldroog District
Dated 18th May 1897.

To
The Secretary to the Govt: of Mysore
General and Revenue Departments

Sir,

I have the honour to state that I had sanctioned an Estimate for Rs: 495/ for a Well on the road side in the Agasanakallu village, about a mile from Chitaldroog.

2. From the favourable situation of the spot selected for the Well it was estimated that water would be tapped at a high level. Water has now been tapped 54 feet below the surface. The Well has to be sunk to a depth of 72 feet and revetted from the bottom.

3. A revised Estimate Amounting to Rs: 1,544/ which provides for all the work necessary for this Well is herewith submitted for the sanction of Government. The Amount will be met from the grant made from Local Funds General for Well works in this District.

I have the honour to be
Sir
Your most obedient Servant

Commissioner

President L. F. Board
Chitaldroog

Captain

SECTION L13

FILE NO. 54 of 96

SERIAL NO. 14

12987 dy 7/6/97
147-96 re: estimate to G.C.

The estimate is returned for revision & resubmission with the following observations.

(1) The cubical contents of the new stone work should have been found by deducting the contents of the inner well from those of the outer well. ~~As the stone work from No. 15 to No. 11 is 2000~~ "170 cubic yards" does not correctly represent the ~~product of the~~ dimensions given against New Stone work "from 15th to 11th tier" have not been correctly given, nor do their product yield 170 cubic yards

Read:-

Letter No. 949/884 dated 18th May 1897 from the Presidt. of the D.T. Bd. of the Chirakalang circle submitting for sanction an estimate for Rs. 1544 for constructing a well in the Agasankallu village, Chitaldrug Taluk

— u —

Order thereon

~~does not stone work~~

~~It is observed that~~ (1) The cubical contents of the stone work from 1st to 11 tiers is given as 170 while the details under dimensions show that 12 tiers were taken into account in calculating the same. The deduction made of the area of the outer well seems to be wrong, inasmuch as it is the area of the inner well that has to be deducted. ~~and not that~~ of the outer well as ~~is stated~~

~~in the ex~~

(2) Plastering with Chunnam

The necessity for plastering the parapet wall built of stone in chunnam instead of pointing the same requires explanation

(3) stone slabs

The breadth of the slabs on top and bottom of the parapet wall has not been entered, though the same appears to have been taken into account in calculating their superficial area. The area of the well to be deducted is given as 78 sqft, which does not appear to be accurate. ~~The estimate is herewith returned for revision and reconsideration.~~

Dated 25th April 1898

To,

The Secretary to the
Government of H.H.
General and Revenue
Departments

Sir,

I have the honor to state that an estimate for Rs 1575 was sanctioned for a well in the Agasankallu on the Chitaldrug Holalkere Road in the Chitaldrug taluk in proceedings of Government No: 13764-5/L.7-147-96 dated 26th June 1897. By June 1897 the excavation was all but completed and a depth of 57 feet ~~having~~ had been reached. The springs met with at that depth were not very copious ones and it was in contemplation

Read:

Letter no 960/909 dt 25th April 1898 from the President L.F. Board, Chittaldrug submitting for sanction a fresh estimate amounting to Rs 1000 for sinking a well in the Agasara Kallu Village of the Chittaldrug Taluk in lieu of the one estimate for Rs 1575 sanctioned in Govt Prm no 13704-5/14796 dt 26-6-97 and stating that the well sunk as per latter estimate collapsed during the heavy rains of June last and that the cost already incurred on the well proposed to be abandoned together with the amount now to be sanctioned as per accompanying estimate will be within the amount sanctioned by the Govt in the above Proceedings
